ECE Providers: Get the Legal Help You Need
Watch Our On-Demand Webinars From Your Home or Office

As a child care provider, do you know:

- What to do if you suspect a child in your care is being abused?
- Whether to release a child to a parent who is intoxicated?
- Whether you can accommodate a child with special needs who requires medication?
- Employee meal and rest period requirements?
- Whether you can be sued for something that happens at your child care?

Don’t let legal issues get in your way. Get high quality and low-cost legal information through Public Counsel’s recorded Great Start legal workshops.
